No. 3:16-CV-432

STATUS REPORT

Pursuant to this Court’s August 24, 2017 Order, ECF No. 56, Defendants hereby provide the following update on “all rulemaking proceedings initiated as to the challenged rule as well as any contemplated enforcement actions.” ECF No. 56. *See also* 45 C.F.R. § 92 (the “Rule”). As previously described, Defendants are reevaluating the reasonableness, necessity, and efficacy of the Rule that is challenged in this case and, as

part of that process, are assessing the issues identified by the Court in granting Plaintiffs a preliminary injunction.

Since the filing of the last status report, the Department of Health and Human Services has submitted a draft of a proposed rule to the Office of Management and Budget (OMB) for inter-agency clearance as required under Executive Order 12,866. As reflected on the website of OMB's Office of Information and Regulatory Affairs (OIRA), the proposed rule was submitted under this clearance process on April 13, 2018. *See* <https://www.reginfo.gov/public/do/eoDetails?rrid=127999> (last visited July 20, 2018).

The text of the proposed rule will not be publicly available until after the E.O. 12,866 process is complete, at which time it will be published in the Federal Register.

Defendants will provide the Court, and the Plaintiffs, with the text of the proposed rule as soon as it has been published in the Federal Register and is available to the public.

Defendants anticipate that the proposed rule will, upon publication, provide for a public comment period. The time required to complete the notice-and-comment phase and to publish a final rule will depend, in part, on the scope of the public comments received concerning the proposed rule.

Defendants request an opportunity to continue reconsidering the Rule and do not request that the Court close this case. Defendants will continue to abide by this Court's preliminary injunction and will therefore not enforce the Rule's prohibition against discrimination on the basis of gender identity or termination of pregnancy.

Defendants therefore request that the Court maintain the stay in this case.
